

How to find medical, dental, and vision care providers

A step-by-step guide

If you have medical, dental, and vision coverage through Anthem Blue Cross and Blue Shield, there is an extra step you need to take when you are searching for care providers using the Find Care tool at [anthem.com](https://www.anthem.com).

- Once you've entered your search criteria at the top of the page, scroll down to the **Filter** section on the left side of the screen near the bottom and find *Plan Network*.
- Select the blue arrow to expand the *Plan Network* section and choose the network you want to search. If you are searching for a dentist, select **Dental Network**.
- You can confirm you are searching in your plan's dental network by looking at the plan listed next to the care provider's name. It should now read "In-Network Dental Plan."
