COST

What is Vālenz Bluebook?

Vālenz Bluebook has been selected by your employer as an added benefit so you can shop for care, compare facilities, and save money on your medical services.

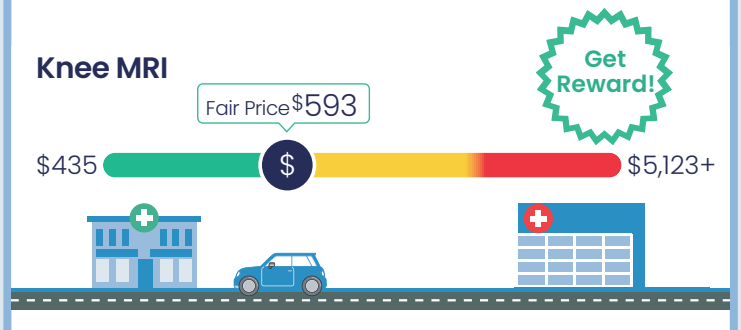

Did you know that in-network prices for the same procedure can vary by over 500% depending on the facility you choose?

Bluebook's web and mobile application make it easy to save money on hundreds of common medical services and procedures by showing you the cost ranges in your area and providing you with a selection of **Fair Price™** (green) facilities.

What is the "FAIR PRICE?"

The **Fair Price™** is the amount you should reasonably expect to pay for a service or procedure and are based on the actual amount paid on the claim, not the billed amount, reflecting the discounts that the health plan has negotiated with the facility.

Here's an example of dramatic price differences between one facility and another.

REWARDS

How do I earn Go Green to Get Green Rewards?

You can earn up to a **$1500** reward every time you search for select procedures in Bluebook and use a Fair Price™ facility for your care.

How will I receive my reward? How long does it take?

Rewards will be processed on a monthly basis, but may be delayed due to the time it takes for claims to be billed and processed. Your reward and a letter of explanation will be sent to the address you have on file with your employer.

Are my family members eligible to receive rewards?

Family members who are participating in the health plan can earn rewards. However, rewards are always paid to the employee/enrollee.

Can I earn multiple rewards?

Yes, you may receive multiple rewards for procedures rendered on the same day. For example, if you had cataract surgery on both eyes, you would receive two separate rewards for using a Fair Price™ (green) provider.
